Education

Post-Doctoral Research Fellow, Stanford University, Department of Chemical Engineering, 1981-82

Ph.D. Chemistry, University of California, Berkeley, 1981

B.S. Chemistry, University of California at Davis, 1977

Academic Positions:

Harvard University

Theodore William Richards Professor of Chemistry, 1998-present

Professor of Materials Science, 2002-present

Professor of Chemistry, 1989-1998

Morris Kahn Associate Professor, 1988-89

Associate Professor, 1986-88

Assistant Professor, 1982-86

Stanford University

Visiting Professor, Chemical Engineering, Spring 2001

Visiting Professor, Chemical Engineering, Spring 2004

Michelle Clayman Fellow, Stanford University, Spring 2008

Leadership Positions:

Assoc. Director, Harvard Materials Research Science and Engineering Center, 2001-present

Chair of the Chemistry and Chemical Biology Department, 2004-2007

Associate Dean, Faculty of Arts & Sciences, 2002-2005

Faculty of Arts & Sciences Resources Committee, 1999-present

Trustee, Radcliffe College, 1990-93

Honors & Awards

Fellow, American Chemical Society, 2010

George C. Olah Award in Hydrocarbon Chemistry, American Chemical Society, 2009

Fellow, American Academy of Arts and Sciences, 2009

Hanse-Wissenschaftskolleg Fellowship, Germany, 2008

Alexander von Humboldt Senior Research Award, 2007

Langmuir Lecturer, Colloid Division of the American Chemical Society, 1995

Smithsonian Institute, Chosen Scientist for Permanent Exhibit, "Science & American Life", 1992-present
Elected to Iota Chapter, Phi Beta Kappa, Radcliffe College, 1992
Iota Sigma Pi: Agnes Fay Morgan Research Award, 1991
American Chemical Society Garvan Medal, 1991
Distinguished Young Alumni Award, University of California, Davis, 1990
Union Carbide Innovation Recognition Program, 1988-89
Presidential Young Investigator Award, 1985-1990
IBM Faculty Development Award, 1983-1985

Named Lectureships:

Rideal Lectureship, Cardiff University, United Kingdom, 2011
Dawson Lectureship, University of Kentucky, 2011
E.L. Muetterties Lectureship, University of California, Berkeley, 2010
David Mason Lectureship, Stanford University, 2010
Dorothy Crowfoot-Hodgkin Lecture, University of Zurich, 2009
Lind Lectures, American Chemical Society Southeast Section, 2008
Peter A. Leermakers Symposium speaker, Wesleyan University, 2002
Musselman Lecturer, Gettysburg College, 2000
Thomas Lectureship, University of Missouri, April 1998
Southern Lecturer, Furman University, 1996
Five College Lecturer (University of Massachusetts, Amherst, Smith, Hampshire, Mt. Holyoke Colleges), 1996
Arthur Vernon Memorial Lecturer, Northeastern University, 1996
Spicer Memorial Lecturer, Georgia Institute of Technology, 1994
Mary Kapp Lecturer, Virginia Commonwealth University, 1994
Plenary Lecturer, Kansas Academy of Arts & Sciences, 1994
Research Scholar Lecturer, Drew University, 1994
Miles Lecturer, University of New Hampshire, 1994
Procter and Gamble Lecturer, University of Cincinnati, 1993
Bernhard Visiting Fellow, Williams College, 1992
Robert Welch Lecturer, 1992
Cargill Lecturer, University of South Florida, 1992
Lucy Pickett Lecturer, Mount Holyoke College, 1991
